ANNUAL GENERAL MEETING BUSINESS

Treasurer - Audited statement of accounts and auditors report

The Treasurer tabled draft financial statements for the years 2016-17 and 2017-18, and an interim financial report for July to October 2018.

The Treasurer explained the issues that had caused him to be unable to provide audited financial statements or an auditor's report.

Chair's Report

The outgoing Chair provided the following report:

"It is with deep reservation and indeed hesitation that I wish to inform you that I will not standing for the position of chair of the NCCC nor indeed will I be putting myself up for any other position on the committee.

It would be easy for me to use my recent health concerns as a cover for this decision and while it plays a part in my thinking it is only a part of my reasoning.

Over recent months I have found myself becoming increasingly intolerant of those who choose to snipe from the sidelines or preach from their bully pulpits so much so that I have become something I would rather not be and not the sort of person I want to be as a chair.

There is how ever a bright side. Some people who know me reasonably well know that my style of negotiation has been to work with people to get the best outcomes for as many people as possible and this is no better highlighted by the considerable work undertaken to get Coles to the negotiation table and work together to achieve something better for the North Canberra Community. I am quietly proud of the small parts I played in making this happen and seeing it through to where we are currently up to.

There is some hope that our new committee will continue to work with all parties for better outcomes and that some progress is made from the very tentative steps we have taken include our suburban groups as participants in the operations of the NCCC."

The meeting noted with acclaim his contributions as Chair.

Election of Office Bearers and General Committee

The following people were elected unopposed, having submitted nominations prior to the meeting:

Treasurer: John Lieber

Committee members: Andrew Witheford, Mike Hettinger, Geoff Davidson, Jochen Zeil.

Nominations were called for the positions of Chair, Deputy Chair and Secretary.

The only nominee was Leon Arundell, for the position of Chair. Two objections to his nomination were recorded. There being no other nominations for Chair, Mr Arundell was elected unopposed.

GENERAL BUSINESS

Proposed Dickson Supermarket Development

The proponent, Coles, is currently preparing a new development application which is expected to be submitted in December. Coles are to return to the Supreme Court in February 2019.

Insurance

The ACT Government has advised that it will no longer manage the single insurance policy which covers all seven Community Councils, and which will expire on 2 November. The cost of separate policies for individual community councils is expected to be significantly higher.

Committee decisions since last meeting

The September Committee meeting focused on preparations for the Annual General Meeting.

The August Committee meeting authorised the spending of up to \$1,250 to cover up to half the cost of a computer and printer for the Treasurer, up to \$1,000 towards the cost of Downer-Dickson heritage walks, and the cost of a meal and a drink for each committee member during committee meetings.

It was agreed that members who support or oppose the motion to provide meals and drinks for committee members would submit their cases in writing before 7 November, for circulation with the agenda for the 21 November General Meeting.
